Football Agreement

Behavior at the football camp is based on self-discipline, and mutual respect among instructors, counselors and campers. Additionally, campers are expected to be responsible for their own personal belongings.

Campers are expected to be considerate and respectful to everyone and everything everyday. Respect for everyone and everything means to feel or show regard for and avoid violation both emotionally and physically to instructors, counselors, custodians, lifeguards, parents, campers, facility, equipment, furniture and materials.

In fairness to all campers and in order to maintain an inviting and relaxed atmosphere, the camp reserves the right to dismiss campers who demonstrate by their behavior that they do not wish to be there.

Campers who disrupt camp and create a situation wherein the instructor or counselor cannot devote attention to all campers will be removed from the situation. If behavior problems continue, parents will be notified and if a solution can not be developed, campers will be dismissed from the program at the parent or guardian's expense.

Photographs, recording and/or films may be taken of the participant during the program and be used in marketing and advertising of the program or as determined by East Central University.

Finally, transporting your child to/from various recreational activities will be provided by East Central University Employees and East Central University vehicles.

We agree to the terms stated in this agreement and accept the privileges and responsibilities of participation in the Football Camp.
