Setting Up Your Space

Art is creative—and can be messy, too! Here are some tips to set up a space for making art.

- Wear comfortable clothes that you won't mind getting a bit dirty.
- Use a large table with plenty of space to create and keep art materials close by.
- Protect your tables from paint and spills with cardboard, newspaper, plastic, or some other table covering.
- Have a sink nearby if needed, for easy cleanup and painting projects.

- Ensure you can easily view and access your device when using Zoom. If using a phone or tablet, consider using a device stand. Make sure your device is out of the way of water cups and paints that may spill.
