

# Plein Air Watercolor - Art Supplies - Marcelo Daldoce

## Paper

- One block of Arches - 140 lb. 20 Sheet Cold Press Block - 9X12 In - Natural White

*Most important: Make sure it is "100% COTTON".*

*Avoid student grade - watercolor pads that just say Watercolor Paper are synthetic.*

*You won't have the same results as if it was a professional paper.*

*(If the paper doesn't say "100% COTTON", don't buy it.)*

## Paint

All tubes - Winsor&Newton professional 5mL

*Recommended colors: Sepia, Burnt Sienna, Winsor Yellow, Alizarin Crimson, Cobalt Violet, Cobalt Blue, Paynes Grey, Cobalt Turquoise Light. (Avoid Winsor&Newton student line Cotman)*

## Brushes

- Three Round Brushes: Silver Brush Black Velvet Round / 3000 / Short Handle size 2, size 8, and size 16.
- One Silver Brush Limited Black Velvet Series 3007S Script Liner Brush - Size 4

## Palette

Plastic Folding Watercolor Palette

Size, about 9" x 9" when open - 9" x 4.5" when closed

## Watercolor Easel

You'll need an easel, something light, cheap and simple.

I suggest this one from Jerry's: [Click here](#) - However, you'd need to adapt a tray shelf.

Some ideas to make your own tray shelf: [1](#) [2](#)

## Avoid these types of easels:

Don't buy a Wooden French Easel, they are heavy and expensive.

This is an example of what not to buy, because you can't change the angle of your board.

This looks good, but it has bad reviews

I RECOMMEND TO BUY ALL SUPPLIES ON-LINE, at [www.jerrysartarama.com](http://www.jerrysartarama.com)

Art Supplies Stores don't have these brands and they usually sell low quality and expensive materials.
